Beyond the Borders Tutoring

We provide tutoring to Immigrant children and children of Immigrants on Saturday afternoons. In order to remain safe and healthy throughout the Covid-19 pandemic, all sessions are being held on Zoom.

Tutoring sessions are held on Saturdays from 12:00 pm to 3:00 pm in one-hour sessions taking place at 12:00 noon, 1:00 pm and 2:00 pm for children from Pre-K3 through high school. We do our best to provide 1:1 tutoring utilizing Zoom breakout rooms. Most of the subjects we tutor are reading and math. However, on occasion a student may need help with a specific project.

If you would like to explore an opportunity to tutor, please contact Elaine Crawford, Coordinator of Beyond the Borders Tutoring at Elaine@ioscbaltimore.org or call 410-323-8564

As tutors are working with youth, all tutors ages 18 and older are required to obtain a Virtus certification which includes a background check and reference check. To register, click on the following link:

High School students may earn service hours by tutoring with our students. If you wish to tutor and earn your service hours, please contact Elaine Crawford at Elaine@ioscbaltimore.org or call 410-323-8564. High school tutors are required to take the Worthy of the Call course in order to work with youth. Elaine will review this with you.

We look forward to welcoming you to our tutoring team.
